ESL PROVIDES THE MOST ENGAGING TOURNAMENTS

ESL currently dominates the tier 1 CS:GO scene, with tournaments such as IEM Katowice, IEM Cologne, and ESL Pro League bringing in high viewership numbers and betting turnover.

THE DOMINANCE OF CHINESE AND KOREAN LEAGUES IN LEAGUE OF LEGENDS

Teams from LPL and LCK have won Worlds in League of Legends for the last couple of years, which suggests a high level of performance and play. As such, it might not come as a surprise that the Chinese and Korean leagues were most popular among bettors in 2022.
